Dear Kit,

As much as I would like to make things work out for next year in regards to the HNVP, I regret to inform you that the Board of Directors and I cannot come up with a way to run our activity period and homework club in such a way that it would conform to the specifics of the California State Constitution. The Board feels that we would be sacrificing our own mission in a way that would not be fair to our students.

I appreciate the past partnership so very much and want to thank you and Matt for all you have done for us. Thanks for helping us with our mission of *breaking the cycle of poverty through education*.

Thanks for the good work you all do for the people of San José!

If you have any questions, please feel free to call.

Sincerely,

Peter Pabst, SJ  
President
